

The Miamisburg Wee Vikes Football & Cheer Organization has been enriching the lives of boys and girls in the Miamisburg community for over thirty years. Each year more than 400 boys and girls from the Miamisburg community participate in our program. This number continues to grow every year.

In 2007, the Wee Vikes and the City of Miamisburg partnered together to create a new home for the Wee Vikes. In the fall of 2007, we began hosting games at Beachler Field in Miamisburg. The "Beachler Field Project" was so successful; it was recognized by the Ohio Parks and Recreation Department with their highest honor for facility improvement in their annual "Awards of Excellence" which was awarded to the City of Miamisburg in January 2008.

Although we got off to a great start and a new beginning in 2007, much more work is needed to further improve Beachler Field for the enjoyment of our community's children for years to come. Our program has many re-occurring costs such as reconditioning equipment for the safety of our children, uniforms, insurance, league fees and two annual college scholarships for Wee Vikes Alumni, just to name a few.

Being a self-funded non-profit organization in a challenging economy, raising money has become a significant challenge. We simply could not offer an enriching experience for the children of our community without the generosity of the community.

Please take this opportunity to promote your business while making a difference in lives of the youth in the Miamisburg community. Your tax-deductible donation will help the Wee Vikes teach its participants valuable life lessons, which will help to build a stronger future for Miamisburg and all of the children involved in the program.
